アンカーピッチ

A horizontal number line is shown with a starting point at 0 and an ending point at 3500. There are six major tick marks, including the endpoints. The segments between the tick marks are labeled with the number 700. The labels are positioned above the line, centered over each segment.

アンカーピッチ

700

A technical drawing of a rectangular frame structure. The drawing shows a rectangle with internal bracing. A horizontal dashed line runs across the middle, with four 'X' marks indicating cross-sections or joints. Three vertical lines, each composed of two parallel lines, run from the top to the bottom edge, representing internal bracing or columns. Two diagonal dashed lines run from the top corners to the bottom corners, forming an 'X' shape. The drawing is surrounded by dimension lines and arrows, indicating measurements. There are four triangles at the corners of the rectangle, pointing outwards. The drawing is labeled with '1' in the top right corner and '2' in the bottom right corner.
